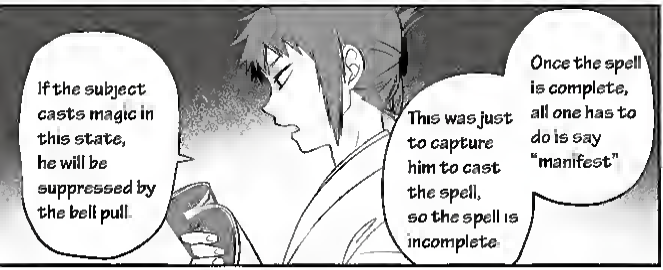
It's like having my memory removed

By chanting the words, one can discipline the subject.
Simply put, it has the same effect as Sun Wukong's magical headband.
You mean the original spell.

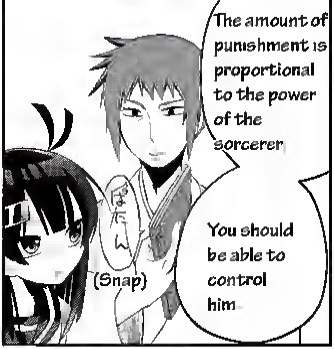


If the subject casts magic in this state, he will be suppressed by the bell pull.
This was just to capture him to cast the spell, so the spell is incomplete.
Once the spell is complete, all one has to do is say "manifest"

That's a hindrance!
No! I don't want that!
Perfect So how do we complete the spell?

She is going to use an object to subdue him?
I'll buy you a cream puff if you keep quiet!
(Cream puff?)
So how do we complete the spell?
Ummmm...
OK!
OK?!?
(Blank)
(Cream puff!)
If one chants, it automatically wraps around the subject's neck
Wrap the rope around the subject's neck
The handling of the demon is good.
(Slip)
If I chant, got it
(Mmmmmm)

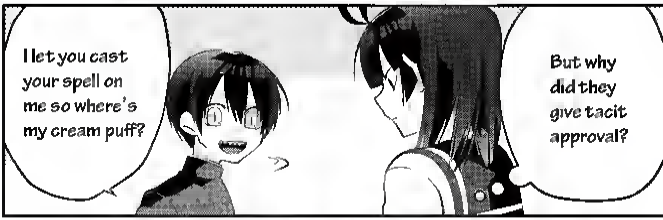
Imprint the rope as a stamp
Manifest
Touch the bell pull.
And chant, "Imprint the rope as a stamp. Manifest."
(Swish)
(Wow)
(Tswiiiin)
.....
(Sizzle)



The amount of punishment is proportional to the power of the sorcerer
You should be able to control him
(Snap)

So the elders sent this because they know that the box in the storehouse was opened?

This now completes the spell
(The rope disappeared!)

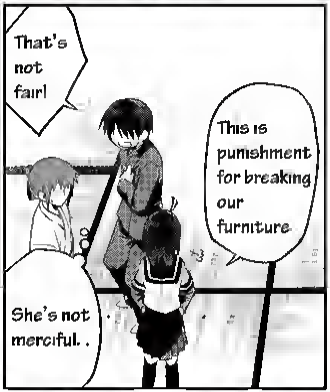


I let you cast your spell on me so where's my cream puff?
But why did they give tacit approval?

But before that—
Oh yeah, right.

(Z-p)
(Aaaaaha)
Manifest.

That's one spell that constrained him.
It might be impossible to re-seal him with just this spell..



That's not fair!
This is punishment for breaking our furniture.
She's not merciful. .

If you bother us again, this is what will happen.
Aw, OK

You can come with me but be good!
Yep!
Uncle I'm promised so I have to go buy him a cream puff.
OK then
僕もいく!!
(I'm going too!)
Miyo, are you going to school tomorrow?
I go to school every day except weekends and holidays
If you come to school again I'll keep casting the spell until you can no longer stand!

(You're not a student!)
Absolutely no way! Just wait at home.
I'm wearing a uniform. I'm a student.

Listen, just be...
(Goose bumps)
I want to be with you. So I also want to go to school.

What is that feeling?

Huh?

Miyo Oike.
You die here.
(Gaaaa)

You broke the landline phone, Uncle's cell phone,
the TV, and the induction cooktop...
How much do you think it costs to replace all of these things?
Hehe, it was fun
You're giving me a headache.
How can you be so calm?
I'm no longer angry, but rather feel nothing.
Miyo, a package has arrived for you.

You're in this period of time as well.

What the? You surprised m

Are you a vengeful ghost?

A vengeful ghost!?
Who
is this!?
(Rrrilp)
I have no interest in speaking to you.
(Thump)
I will only fulfil my mission.
(Zzzzap)

Who are you?
Mission? Why me?
(Ohhhhh)
Don't make me repeat myself.
I have no interest in talking to you.

青キ緑ノ箱
Blue Ark of Destiny
安曇祈

!
(Boom)
This happened very fast so I don't know what is going on.
But we don't know your mission.

You're also a monster right?
Don't get in my way monster
(Twitch)
That's enough
(Zzzzaaaap)
Scatter
!
Miyo, look out!
(Bang)

(Doooash)
ユラ…
(Roar)
(Bang)

Smells like blood.
I must've hit one of them.
(Drop)
Miyo, are you OK?
Cough
Yes, just
!

Your arm!
Hehe. This is nothing.
My target is unhurt but I wounded the monster.
This is the end.
Thud

Too easy....
(Pain)

just before you came home.
It was delivered by the elders
From the elders? I wonder what it is.
呪物じゃないのね
(It's not a cursed object)
Who are the "elders"?
Be quiet
I wonder what it is used for.
It's a bell pull.

わあああ
(Arrrrrrrrr)
(Thud, thud, thud)
Hmm?

He ran away unbelievably quickly!
I've never seen an expression like that before.
No, no! Get rid of it!

Oh, there's a letter in the box
(Rustle, rustle)
"Hold the bell pull and chant the following words"

(Eeeck)
Miyo, hold on
With the power of exorcising evil spirits and the power to control spirits, I use a spell to constrain you
Restrain the spirit with a rope . . Manifest
Noooooo!
(Arrrgh)
Whirrr
(Wrap)

You know what this is right?
...
Awwwwww
What the hell is this? A restraining spell!?
I know everything
(Slither)
ズズッ
This is one of the spells that
constrained me
!

(Rumble)
(Boom)
!?
What the!?
Fight against the magical power
(Buzz, zap)

I'm afraid I can't remember.
If you know this spell, tell me what it is then.
Huh?
Other than it's a spell that constrained me, that is.
That reminds me,
Seeing as you are the ones that constrained me
You should know more than me
You said you don't remember. Did you forget it?
I'll be right back
this type of spell might be written in the spell book
